

# Guided Tours

## Summer Season 2025

### Sunset in Venice

This tour will take you through the **romantic sestiere of Dorsoduro** at sunset, a time when Venice is immersed in the beautiful effects of light and shadow.

It's the perfect opportunity to capture breathtaking views, as the many colors of Venice reveal themselves in unexpected corners, offering endless inspiration for your shots.

### Best of Venice food tour

**Discover the gastronomic history of the city:** enjoying the traditional cicchetti, paired with an original "Spritz", which was firstly invented in the Veneto Region. This tour will be enriched with a huge variety of specialities which will leave you with an unforgettable savoury memory of Venice.

### Bassano classic tour

Bassano del Grappa is a jewel to be discovered slowly and with curiosity.

The **tour is an immersion in its most iconic corners**, among art, history and taste, culminating in an exclusive stop at an historic Grappa distillery.

### Tour of Palladian villas

In the Venetian countryside, Palladio's villas masterfully blended the practical and economic needs of agricultural estates with the aesthetic and contemplative ideals of the rural retreat, designed for leisure and reflection by the Renaissance gentleman.

**These tours can be arranged as half-day or full-day experiences**, visiting one or more villas designed by the architect Andrea Palladio — today recognized as UNESCO World Heritage Sites.
